

Access Statement

Introduction

The Crown at Sproxton is a traditional country inn, providing traditional hospitality in the heart of the Leicestershire countryside for over 140 years. We are committed to providing access for all guests within the physical limitations of an historic building. We look forward to welcoming you for lunch or dinner in our restaurant, for a bar snack or just a drink in our bar. In the summer months sit out in our courtyard. The Crown has 3 en-suite bedrooms at first floor level. The restaurant, bars and courtyard are all accessible by wheelchair.

Restaurant

The restaurant is accessible from the courtyard or from the min bar via wheelchair. Our chefs are willing to cater for any dietary needs, please advise on booking.

Public Toilets

The gentleman's and ladies toilets can be found on the ground floor accessed via the rear hallway. There is a separate disabled toilet provided.

Bedrooms

All of our bedrooms are at first floor level and are not suitable for wheelchair users. There are stairs to the bedroom area. If you need assistance in carrying luggage from your car, please ask.

Parking

Allocated disabled parking space to the rear carpark and disabled access ramp to the front of this.
